BOARD CHAIR**

4 REID RIDE

6 BRAVO!

8 ART TO HEART

10 RED DRESS BALL

12 HONOR ROLL OF DONORS

A letter from our Board Chair

Friends,

As you read this issue of Mission Report, I would ask that you take a moment and reflect on all that we at Reid Health have achieved this past year. A few things that stand out to me include being verified as a level III trauma center, the opening of our new ENT, Hearing, Allergy, Dermatology Center and the renovation of our new Urgent Care location. All in which to better serve our patients in our service areas.

Most importantly, you will see the names of donors that support the healthcare needs of our community over the past year.

I'm fortunate to live in a philanthropic community such as this one and I continued to be inspired by our patients, donors and community partners such as you.

Gratefully,
Jackie Carberry

Jackie Carberry
Reid Health Foundation
Board Chair

Every year hundreds of riders gather at Reid Health to participate in a 22 mile, family friendly ride. As the date approached for 2017's annual ride sponsors, volunteers, and riders all prepared for another exciting ride. However, Mother Nature had a different thought. The morning of the ride volunteers arrived at Reid Health to lightening, thunder, and torrential rain. After checking the radar the storm should have subsided briefly before the ride but the danger wasn't completely gone. Again, with the safety of the riders in mind director, Justin Burkhardt, looked at radar for the hours after the race was to begin. Another major front of storms was heading towards the ride route and it was decided at that time that the risk was too great. For the first time in 9 years ReidRide had to be cancelled.

Volunteers immediately began alerting volunteers, social media, riders, and emergency personnel who had not yet arrived. Other volunteers stood out in the rain and informed all the riders that were beginning to arrive. The Foundation staff then had the difficult decision on whether or not to reschedule the ride. After several meetings it was decided that there was just no way to reschedule the ride which utilizes over 150 volunteers and also involves many emergency personnel from around Wayne County. Riders were given the option for a refund for their registrations. Instead, most riders chose to contribute their registration fees as donations.

ReidRide monies are designated for the Reid Health Foundation's "Shoes for Kids" program. This program

provides shoes to kids in need in our service area. To-date we have been able to provide over 10,000 shoes to children. Even though this year was an abnormality the Reid Foundation was still able to hold all of their annual disbursements. This year the opportunity arose to hold a distribution at a new location and we were able to provide over 120 additional children shoes there. Reid Foundation staff was able to attend and work these distributions and see just how much these shoes meant to the children receiving them.

The child's face says it all when you place the new shoes on their feet, it is unlike anything else in the world. Some of these children have never had a new pair of shoes, let alone a pair of shoes that fits them correctly. "It was so touching to see these kid's faces light up when they got their new shoes. I even had one little boy who wanted to show me how fast he could run because of the new shoes," said Foundation staff member Sarah Wise. The kids did not know the event had to be cancelled, they simply knew they were in need and because of our passionate registrants and donors we were still able to provide them with a new pair of shoes.

ReidRide will resume next July and will have a major celebration for the 10th year anniversary of this amazing event. For more information on Shoes for Kids and to volunteer, donate, or sponsor ReidRide please contact the Reid Health Foundation at 765-983-3102.

BRAvo! 2017

October is breast cancer awareness month. You will encounter "Think Pink" shirts, ribbons, stickers, ads urging women to get their mammograms, combined with events to raise funds to support treatment and research. The Reid Health Foundation combats breast cancer by holding the annual BRAvo! – Busting Out Against Breast Cancer Signature Event. Around 150 guests arrived on October 21st at Reid Health to participate in a night of fun, food, and fundraising.

The Signature Event is not the start of BRAvo!, this event is a three month culmination of bra decorating, voting, pink out games, and it all finally ends with the Signature Event. This year 66 bras were turned in, they ranged from bras dedicated to family members and survivors to some that were fashioned after popular TV shows like Game of Thrones and Seinfeld. Bra voting began and the votes flooded in. Over 160,320 votes were cast for the bras.

2017 featured five different pink out games at area schools. Centerville volleyball, Earlham football, IU East volleyball, Northeastern volleyball, and Richmond football all held games in support of breast cancer awareness. During these games breast cancer statistics were read and breast cancer ribbons were passed out by Reid Health volunteers.

After voting ended the bras arrived back to Reid Health to begin preparing for the Signature Event. Bras are paired with auction

items and sold during the event. The event began with the silent auction and hors d'oeuvres. Guests were invited to the second floor of the outpatient care center which had been turned into a celebratory atmosphere with light music, photo booth, and decorations. After the silent auction concluded guest were invited to head down to Lingle Grand Hall for the main event, the live auction. Chad Bolser, auctioneer for the evening, again entertained guests with a comical video about the "training" he had been doing to prepare for BRAvo! 2017. The live auction then began and offered guests chances for such items as a trip to Los Angeles to see a taping of Ellen show and a Captain James T. Kirk uniform top from Star Trek signed by William Shatner.

To-date BRAvo! has raised over a quarter of a million dollars in support of free mammograms. To-date Reid has been able to provide 4,500 mammograms to women in need in our service area. The BRAvo! mammograms even cover Reid's new technology of 3D mammograms. This 3D technology allows doctors to see more during a scan so there is less need for biopsy and additional testing. If you or someone you know is in need of a mammogram and has no insurance or is underinsured all they need to do is call (765) 983-3358 and tell the operator they need a BRAvo! mammogram. It is truly that simple.

BRAvo! Sponsors

Busting Out Sponsors:

Kicks 96, First Bank Richmond, WHIO TV 7, Richmond Radiologists, Inc., Reid Health Auxiliary, West End Bank, G101.3, Rosebud Village, 101.7 The Point, Hoppe Jewelers

Supporting Sponsors:

Forest Park Health Campus, The Springs of Richmond, and Health Care Professionals Federal Credit Union

Foundation Sponsors:

Arbor Trace, The Dobbs Group, Hall, Render, Killian, Heath & Lyman, Richmond Baking Company, US Bank

Art to Heart has been a staple in the Richmond community since 1992. Throughout its many years the event has changed in setup, theme, entertainment, and layout. However, two things have remained the same the art and the collaboration between the Richmond Art Museum and the Reid Health Foundation. This year, with the celebration of the 25th annual Art to Heart gala a decision was made to end the event. Both groups were leaving on amicable terms and with the opportunity to finish on a high note.

Committee member Ginger Gray designed a remarkable layout and theme that incorporated pieces from all 24 years of Art to Heart. Each table had film slides that you would see in an old camera, which were pictures from previous years. Along with historical pictures, guests from previous years were in attendance. As special honorees the committee invited Debra Edelman and Diane Paridy back since the two women had been leaders of the event for many years. Due to a scheduling conflict, Mrs. Paridy, was unable to attend as she has since moved to Florida but Mr. and Mrs. Edelman were in attendance.

Over 207 guests were able to attend this year's event which consisted of a silent auction, dinner, and a live auction. As guests arrived they were escorted onto a red carpet for a photo opportunity by Greg Pyle. After that they were able to bid on silent auction items. Later, guests were served dinner before a live auction. Darin Lawson, along with the assistance of Donna Spears, was the auctioneer. There were art pieces from well-known names such as Dan Woodson and C.W. Mundy.

Even though there was some sadness due to the ending of such a long running event, guests and volunteers were able to look back on their years with fondness. They were able to remember the many years of memories and beautiful pieces of art that have found their way into their homes! Throughout its lifetime Art to Heart was able to net over \$1.3 million dollars which directly benefited the free art classes and at the Richmond Art Museum and the many programs offered at Reid Health. Moving forward the Richmond Art Museum will partner with IU East for a new and innovative event and the Reid Health Foundation will use this extra time to prepare for Red Dress Ball.

Red Dress Ball

Bond... James Bond, that's what guests were repeating this year at Red Dress Ball. The Kuhlman Center turned into a spy's nest this year for the Reid Foundation's annual gala. Guests arrived to find the Kuhlman center decorated with signs from Casino Royale and each table containing a martini glass to pay homage to James Bond's infamous quote, "shaken, not stirred."
